JOHN H. STROGER JR. HOSPITAL OF COOK COUNTY
NORTHWESTERN MEMORIAL HOSPITAL
UNIVERSITY OF CHICAGO MEDICAL CENTER

DATE: August 7, 2019
TO: Region XI EMS Providers
FROM: Region XI EMS Medical Directors Consortium
RE: Revised MPI Policy and Triage Algorithm

Effective immediately, the “Management of Multiple Patient Incidents (MPI) Policy (B.31)” and the “Region XI Modified START/JumpSTART Triage Algorithm” have been revised with the “Grey” (Expectant) category removed. Per IDPH, there is not universal acceptance of this concept which may cause confusion in mutual aid situations. The revised policy and algorithm is attached.

Please refer any questions to your Resource Hospital.
