

August 2019

Region XI EMS Monthly Pearls

- The **Multiple Patient Incident** policy has been revised to remove the Grey or “Expectant” category.
- All Region XI EMS providers should maintain their **Target Solutions profile** and renew **when prompted** by the site. This will be two years from the initial registration date. Users can click on “My Profile>Organization>Renewal Expiration Date” to determine their exact renewal date and cannot submit payment until after this date.
- **MetroSouth Medical Center** is no longer a STEMI Center and has been removed from the STEMI Center List.
- **Jackson Park Hospital** no longer has Obstetric Services and has been removed from the Perinatal Hospital List.
- EMTs or Paramedics with a **Lead Instructor (LI) license** should upload a copy of their license with expiration date under “My Credentials” for tracking.
