

September/October 2019

Region XI EMS Monthly Pearls

- There is a mandatory **Medication Update assignment** on Target Solutions for all Region 11 EMTs and Paramedics, which is due October 18th, 2019.
- All Region 11 EMS providers should login to their **Target Solutions profile** and check their renewal date information under “My Profile” > “Organization” > “Renewal Expiration Date”. On the date of renewal, providers will receive a prompt to renew their account.
- All Region 11 EMS providers with a **Lead Instructor (LI) license** are required to attend one of the Continuing Education sessions on October 22nd or 23rd and sign-up through Target Solutions. For additional information, contact your Resource Hospital.
- The **i-gel Supraglottic Airway** is currently being piloted in the Chicago South EMS System (<http://www.intersurgical.com/info/igel>)
- **MetroSouth Medical Center** is closed and has been removed from the Participating Hospitals list for the Region 11 EMS System
