**Region 11/MXC Preceptor Workshop**

**Calling all preceptors and future preceptors**

- Be a part of the future by sharing your time and experience in EMS with paramedic students during the MXC 2022 internship program.

- Newly designed workshop to incorporate the experiences and knowledge of our Region 11 preceptors.

- MXC college is an accredited program thru CoAEMPS and therefore **ALL** existing and future preceptors must complete the online education thru MXC platinum planner **AND** attend the workshop (need to attend only one of the dates).

- This is a great opportunity to share your time, experience, knowledge and skill to this important part of the paramedic program.
